“ Rickie Morris was a joy to be around. Mr.Morris worked at the F.B.I. Building and I would go over at night to see Mr.Morris. Mr. Morris always had gospel music playing and always spoke about his love for Jesus. Morris spoke fondly about his wife and family, and was a dedicated working man. I will always remember Mr. Morris calling my "Kid.." He would say keep looking up Kid things will be alright.. ohhh I am going to miss you Mr. Morris he was an encouraging person and I loved Morris very much ... one thing for certain Morris is with Jesus and we shall one day meet again... until then Mr. Morris this Kid will keep looking up... I pray the Lord Jesus will comfort this beautiful Morris family during this time of grief

“ I was a pleasure working with Officer Ricky Morris the short period time that I knew him. He was always loving and kind. He had the sweetest spirit towards his coworkers. He treated us all as his extended family and would give the shirt off his own back to assist. He had the funniest sense of humor and made my time working with worthy. I love you Mr. Morris. May you rest in peace. Gone but never forgotten
