“ So sorry to hear of the passing of your sweet sister Rita. We were Best of friends in school and worked together at the Taste Freeze in Haralson in the early sixties. Rita was one of the sweetest and loving person I have every known. So sorry that we didn't stay in touch, and herad of her passing this morning as my husband and I were on our way to church. My deepest sympathy to all of you and the memories of your sister will be with me forever

“ Rita was my sister but she was so much more. She was often like my mom and was a friend. She was a kind, compassionate person who loved people and made strangers into friends. She was hard working and took great pride in whatever job she was doing. She had a great personality and sense of humor. She greeted people with a smile and often left them laughing. Though I am glad that she is now in perfect peace I will miss her greatly but take comfort in the fact that we shall meet again.
