“Bill & Beth, I was saddened and shocked to learn of Ritta's passing. We have good memories of our time together at Hal's and Ed's churches. She was always the smiling face that made it an okay experience to go to the dentist. May she rest in peace with the Lord.

Bill, Beth and Family, I am so deeply sad to hear about my friend Ritta. I have the best memories of us working together at the dental office, and enjoyed her company always! I know she loved her family and talked of them often in our daily talks. May God bless you all and comfort you at this time! She will be greatly missed! She was very special to me!!
