“ *I just learned of Richards passing today. A co-worker in the food service industry and I were reminiscing about Richard a week ago and I asked him for Richards cell as I had lost it. I had planned to call my old friend and then I found out about his passing. One of the funnest people I have ever know and his love of music played a large part in our conversations through the years. He will be missed but not forgotten. My heartfelt condolences to Gloria and his children and grandchildren.*

“ We all know how Rivale could fill a room with laughter. His quick wit & the way he could find humor in any & everything was amazing. One of my favorite memory is going with him to get his graduation picture. We are in his car & we get to a light where he purposely stalls the car. He pops the hood, gets out (he’s wearing his gown) pretends to be a priest, blesses the car, closes the hood, get in & like a miracle the car starts. That was my cousin Rivale, always funny. I will miss you so much but I know you are making them life on the other side. I love you Rivale ❤️

“ I am saddened to hear of Richards passing. Over the 13 years I knew him, he was always quick with a smile and kind word; a true gentleman. His spirit will live on in all that knew him.

“ Richard was a good friend and colleague. I knew "Medina" for over 20 years and we shared lots of good times while working. I met him a long time ago at an FSA conference and we shared stories and a couple cocktails. He told me his favorite was called "The Salty Dog". After that day it was his nickname for me. I will miss my friend. My condolence's to the family. RIP buddy.
