Robert was born in Goodland, Indiana on July 31, 1922, to Christmas Eades and Dorothy Price Alter at their 1858 homestead farm. He was educated in the Goodland schools, and he worked the farmland with his father until he enlisted in the United States Air Force on July 9, 1940. He later entered Purdue University, from which he graduated in 1950 with a Bachelor of Science in Aeronautical Engineering. After serving in the Air Force as a pilot for 27 years, Robert joined the Research and Development Department of the United States Navy, from which he retired after ten years. Robert and Martha lived in Easley until 2008, when they moved to Newnan, Georgia, to be closer to their daughter. “ *Dear Beth and Martha,
I am so sad to see that you lost Robert. I lost my dad on June 20. It is never an OK time to lose a loved one but this pandemic has made or so much more difficult as those that care for us left behind are unable to support us as they wish to. I have wonderful memories of Robert from Beth's wedding and from Myrtle Beach. I treasure them as I know you treasure your dad and husband.
Sincerely
Colleen Schmitt
