January 27, 1958 - September 23, 2024

It is with heavy hearts that we announce the passing of Robert "Bob" Wayne Carpenter, lovingly known as Bobby Wayne and Big Bob, who passed away peacefully at home in bed surrounded by his family on Monday, September 23, 2024, at the age of 66.

Born on January 27, 1958, in Windsor, Missouri, Bob lived a life full of love, resilience, and humor. He proudly served his community as a design engineer in civil service, but his greatest pride and joy was always his family. Bob was a devoted husband to Linda Carpenter, his wife of 45 years. He held on to celebrate their anniversary on September 14 before passing, a testament to the deep love they shared. Together, they raised two children, Stefanie and Ryan, who Bob cherished beyond measure, along with Ryan's partner, Megan. Bob was a proud grandfather to Evelyn Meyer, who brought him immense happiness.

Bob's life was filled with simple joys, from 'Pizza Fridays' to 'Ice Cream Sundays', where he enjoyed sharing meals and laughter with his loved ones. His infectious humor, especially his one-liners, could brighten any room, and his morning chats with Stef were a cherished routine. Despite enduring

numerous medical procedures and challenges, including cancer, Bob's spirit never wavered. He faced every obstacle with remarkable strength, always ready with a smile, never letting his hardships get him down.

His warm and joking demeanor will be deeply missed by his family and friends, including his brothers Warren, Steve, Randy, and David, and his best friend Jim Dunkle, with whom he shared countless memories. Though he lived in several places throughout his life-including Fort Walton Beach, Indiana, Colorado, and Georgia-Colorado and its mountains held a special place in his heart.

Bob's family will honor his life in Florida with a private family gathering. In lieu of flowers, donations to his GoFundMe page are appreciated, as well as the continued love and support from all who knew him.

Bob will be remembered for his unwavering love, his humor, and his incredible strength. He was a fighter until the very end, and his legacy of love and resilience will live on through his family and those whose lives he touched.
