

## Robert Allen Boldt

August 22, 1946 - October 9, 2017

Mr. Robert Allen Boldt, age 71, passed away at his home amongst family and friends on October 9th, 2017. Robert "Bob" was born on August 22, 1946 in Port Clinton, OH to parents Richard "Tip" Boldt and Helen Luchsinger Boldt along with his sister Barbara. Bob was preceded in death by both his parents and his wife Sharon Hemminger Boldt.

Survivors include both of his proud and loving sons Brian Boldt and Keith Boldt Sharpsburg, GA; his sister and Brother-in-law Barbara Boldt Bahs and Clarence Bahs of Nacogdoches, TX; mother-in-law, age 93, Edythe Stelter Hemminger of Oak Harbor, OH; sisters-in-law and brothers-in-law Barbara and Eugene Banky of Graytown, OH; Pat and Steve McLaughlin of Elmore, OH; and Gloria Krauss of Oak Harbor, OH; along with numerous nieces and nephews.

Bob entered the Air Force in 1967 after attending Bowling Green University in Ohio. Before that he had met the love of his life Sharon on a double date and so began his life's journey. Moving from bases in both Biloxi, MS and San Bernardino, CA. While in California he witnessed the birth of his first son Brian. When he was discharged from the Air Force they moved back to Ohio where he witnessed Keith his second son's birth. Bob entered the work force at the Uniroyal Naugahyde factory with the help of a good friend. He was soon recognized for his outgoing personality and humor that led him to a sales job

with Uniroyal. His new career path lead him and his family on a long and adventurous journey across the country with several moves to include Mishawaka, IN, Jackson, MS, Fort Smith, AR, Novi, MI, Longmont, CO and Sharpsburg, GA. While his work kept him busy he never lost sight of being a devoted husband and father.

While Bob was a devoted husband and father he was also a lot of things to many people. He never met a person that he did not immediately become friends with. He had an infectious personality like a combination of Chevy Chase and Tim Allen all rolled into one that everyone loved. Bob was a proud patriot and Air Force Veteran and was not afraid to let anyone know. He enjoyed life whether it was dancing in some country bar with his beautiful and amazing wife Sharon or riding his motorcycle with the Patriot Guard. Upon moving to Georgia he became a huge fan of NASCAR and would follow his favorite driver Tony Stewart religiously. Nothing Bob did in his life went totally unscripted and one would say his life was lived like the spread sheets that he used in his career. He was organized and meticulous about the things he approached either in life or at work. He left behind so many that will miss his sense of humor and love of all things. He would ask that you remember those things about him and not be saddened with his passing, but enjoy the life that you have. He would ask that you look on the positive side of things, which is he is again on a double date and meeting the love of his life for the second time.

“ Brian & Keith--friends from our days at Uniroyal let me know of your Dad's passing. I was VP of Sales & Marketing while your Dad was on our sales staff and came to know him personally and professionally. His trademarks were his preparation, great relationships with customers and the results he delivered. We nicknamed him "Lightning"! One memory comes to mind--I challenged him to conduct a training session about preparing for a sales call and what our team members would need to respond to the questions and concerns of a customer. Bob developed his presentation around the theme of "help me empty my briefcase". His peers would call out something and Bob would simply pull it out of his case. When they ran out of ideas he said, "what about this"? And this--and this!!! Your Dad was a very positive, personable and caring person--one that in the old days we would simply describe as--he's a "good guy". From time to time we would re-connect and I learned of the health struggles your Mother endured. Sharon was a beautiful lady--she would light up a room with her smile and personality. And your Dad was "rock solid" in his love, dedication and caring for her. The sad news is that your Father is gone from our world. In the days and years ahead, however, you will lay your head on the pillow at night and know that he loved you both. You will recall lessons learned as sons, examples of his dedication to family and the warmth and kindness that he shared with so many folks. I trust that these memories will bring you comfort. And I, like many he came into contact with will shed a tear and offer a prayer for Bob--as he was a positive influence in our life and one who provided so many wonderful experiences that will live with us.

*Blessing to you both and your families.*

“ I am really sorry to hear this. Bob was maybe the best Naugahyde salesman we had. I particularly enjoyed the times we had skiing in Colorado. Bob was great with customers; a major reason for our success. Rest In Peace Bob. Jim Bailey
