“ Dearest Linda, Lori and family, I could not believe it when I heard the news. I know it's been a long time since I've seen you guys, but I have such fond memories of time spent with baby Lori all the times you asked me to babysit her. You and Mike were such great people and I really looked up to you both. I was very shocked when it was announced at Elim about Mike. You have all been in my prayers for the comfort and peace you need. With much love and fond memories Jennie (Pursley) Stone-Gillihan

“ Dear Linda, Lori, Sarah Katherine, and Collin, We were so touched by the service today, I told Arnold when I heard about Mike, I never meant anyone that loved life and people more than him, after todays service and the abundance of family and friends that were there and the wonderful words that were said of him, we now understand how he touched so many lives in his short life. We will never forget the best neighbor we have had in him. Linda, we are always here for you and your family. And will keep you in all our prayers. Love, Tanya & Arnold

“ I am still at a loss for words Linda. Nothing that I can say or do will soften Lori's or your pain. Mike was one of those rare people that was genuine, caring and would truly do whatever he could to help a friend...I know he gave me so much and expected nothing in return. I truly mourn his passing and feel a deep loss. You have my deepest prayers that you find some comfort and peace during this painful time. Mark

“ Dear Linda and Family, So very, very sorry for your loss. Mike was one of those rare people that would do anything to help others, and always do so with a big healthy smile on his face. I had the great pleasure, and good fortune, of working with Mike for many years. He was such a positive and “can-do” person. He talked often of his family, especially that very special granddaughter, and I know how much he will be missed. You are in our thoughts and prayers – may the good Lord comfort you.
