“ Mrs. Crawford I just want to say that I am truly sorry for you and your family's loss. Robert was someone I knew only through our short conversations as I didn't work with him on a daily basis. He was always positive and I don't recall him ever complaining about anything....well maybe about Mondays(He didn't like Mondays much).:) I can only speak of my experiences with Robert and say I'll miss talking and messing with him daily( I always gave him a hard time about his coffee cup and his coke cup) and I wish your family the best in these trying times. “ Dear Crawford Family, Please accept my deepest and heart felt condolences on the passing away of Robert. He was my friend and colleague for the past 5.5 years. There is not a single day at Yokogawa that has passed without seeing and talking with him. I last saw and spoke him on Friday (a little after 5.00) and he said "Have a good weekend Yusuf, it looks like its going to rain this weekend" and I said "I sure hope so Robert, cause its been one hot week". That was my last conversation with. I will miss him dearly. I pray that God gives him safe passage into his kingdom. I also pray that god gives each one of you (his family) the courage and patience to overcome the loss of good husband, father and a friend, Robert. My deepest condolences. Yusuf Chitalwala

“ Robert was one of the kindest, most caring people I have ever worked with at Yokogawa. He was old school! Came to work everyday and did his job. His work ethics were beyond what most people would expect! I worked very closely with Robert and first and foremost he was my friend, then my co-worker! I am going to miss him terribly. My thoughts and prayers go out to the boys! He loved you and talked about how proud he was of you. With deepest sympathy. Jean Murphy Yokogawa Corp.
