“ *My name is Robert Dearman. I had the privilege of meeting Robert Dearman after a mix up with our credit cards. After speaking with him I met Robert his wife and daughter at their home, after talking with him to both of our surprises we were related, he shed a few tears and said he always had hoped that someday he would meet another Dearman that he could share his journey with, to make a long story short, we were kin and I had the pleasure of speaking with him from time to time. The heavens received a true angel of a man. Fly high and free. We will meet again someday. I sent prayers to my father and told him to be on the lookout for you, he’s Robert Dearman as well. So I know you will be with family*
