“ *He was an amazing man. I love him..His smile and humor blew me away at meet the teacher in 2012. Seems like yesterday he was walking MiKayla in and just making everyone's day brighter. He has always been way more to me than "the man that sharpened pencils". Honestly, he is a lot more to the NCES family. He is part of our family and will be greatly missed, but always remembered. He is part of NCES history now, and I will make sure that every kid who is ever a Chameleon knows who he was....I plan to honor him in some way at the school, but I haven't decided how yet. I doubt they would let me have a statue of him. I'm so sorry for the family and I'm praying for you during this time.*

“ To the family of Bob Gillardon—sending my warmest condolences with Bob’s passing. It was my good fortune to have had the pleasure of both working at the golf course with Bob and also enjoyed numerous rounds of golf with him. He was always a perfect gentleman who loved his family very much.

“ I got to know Bob, JoAnn, Mikayla, and Tyler at church. Subsequently, I got to meet Michelle and Jen. Bob was such a wonderful person to know as is the whole family. I know the family will miss him as will I. I wish the family sweet comfort and peace. You are not alone. "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand." Isaiah 41:10
