“ *Gayle, we are so sorry for your loss. We enjoyed the times that we visited one another. You and Bob kept us in stitches. You each complimented one another. I know that there is a huge void in your life now, but the Lord is there with you. Reach out to him and he will see you through the tough times as well as the good times. Man will fail you, but the Lord will never let you down. We are here if you need us. We love you very much sis.*

“ *We were so sadden to hear of Bob's passing. We met Bob at Cypress Lake High School and he was in our wedding in 1974. I (Karen) remember hiking the trails in Tennessee and Bob & I were always bringing up the rear of the group. We had a fun time though. We're sorry the miles and years took a toll on seeing each other more often but will cherish the times we did spend together. Our thoughts and prayers go out to you and you family. He is gone too soon. Karen & Bob*

“ Our heart and prayers go out to you at this time. Words can not make you feel better right now.. You can only find comfort from God and his word. He will ease your pain in time and show you how to fill your heart with the memories of the good times of your life together. Rest assured, just as God has promised you will see Bob again. He will always be watching over you and your family. We wanted to be there tonight but it is our turn to stay with my mom. Please let us know if there is anything that we can do for you. Love and Prayers, Bob and Joan Couch

“ Bob will truly be missed, my heart is very heavy from hearing the news of his passing. Jeremiah 8:18 "God, you are my comfort when I am very sad and when I am afraid." Please lean on each other and know that Bob is smiling and talking to someone about his life.

“ Although I only worked with Bob for 6 months, it was more than enough time to know that Bob was a really good man. The kind of man that the world could use more of. My thoughts & prayers go out to all of Bob's family and friends. He will be missed!

“ We were deeply saddened to hear about Bob's death and so very sorry for your loss. Though the miles and unrelenting demands of life shortened our contact with Bob as the years went by, he was often in our thoughts and conversations. Every time we reminisce about fun times in high school, sailing, trips to visit friends at college in Gainesville, or the many hiking trips to the “Smokies” Bob was always there. He loved the outdoors, hiking and camping. He always had a smile on his face (and often the “ sheepish grin” that Buffy mentioned, when he knew what you were thinking before you said it). He would always do whatever he could to help in any situation. We are grateful to have had him as a friend and are very blessed to have our memories. Though we can't be there in person to say goodbye, you will all be in our prayers tonight. May God comfort your heart and your family through this difficult time.

“ *Gayle, I'm so sorry for your loss and grateful that I had the opportunity to work next to Bob. He was the kind of guy that always joined in on our conversations and never missed a chance to share one of his life's experiences. I'll never forget the sheepish grin he had on face when I teased him about the two of you marrying. He was like a kid that somehow was caught with his hand in the cookie jar and tickled that he'd been caught. He loved ya girl. During this time of loss and sadness, may God wrap his loving arms around you to give you comfort, protection, and wonderful memories of the times you all shared.*

“ I was so very shocked and saddened upon hearing of Bob's passing. He has been a blessing to work with at SunTrust over the 25 yrs I've been here. He was patient with any kind of issue or question you had. In fact, I was currently working with him on a small project that was driving us both crazy! He will be sorely missed. My Prayers, thoughts, & Love go out to the family as they go through the healing process from losing their loved one.
