“*Mr. and Mrs. Harris, You have my deepest condolences. It was with great sadness that I learned today of Robbies passing. Though it's Halloween night and most think of trick-or-treating, parties, and costumes, I took time to reflect on things done and the people that I knew years ago. I met Robbie in elementary school and quickly became friends with him as he was pleasant to be around and had a kind spirit. Even though it has been years since I've either seen or spoken with Robbie, I have vivid memories of him and I miss talking with him, especially about movies which he seemed to be quite fond of. My heart aches for this terrible loss, but I'm grateful and blessed to have had the chance to know him.*”

“ Mr. and Mrs. Harris, Although I had not seen Robbie since highschool, I have fond memories of him. He was a very kind and gentle person, and a bit of a comedian as i recall. He held in his personality and spirit what most of us strive to be. He will surely be missed. My thoughts and prayers are with you

“ Mr. & Mrs. Harris, I am so sorry to hear of the loss of Robbie. I attended school with Robbie from elementary school on. He was one of the most polite people I had ever met and was always happy and tried to exude that to everyone around him. My thoughts and prayers are with you.
