“ *I really do not know what to say I am shocked. Memories of flying with Bob come flashing back. but now the latest memories were seeing Elaine and Bob Together and the happiness in their eyes and souls. We will miss you our favorite and honest FE. Your are flying now high in the skies and watching over all. You will be missed our dear friend*

“ We kissed each other every night, every morning and in between. We always said "I love you" before you left for work, saying goodbye on the phone and before we closed our eyes. I will miss your smile, the twinkle in your eyes & your laugh. You have given me the greatest joy & an abundance of love, unconditionally. Baby, "I love you with my WHOLE heart". Rest well. God brought us together twice. We will be together again.
