“ I am sorry for your loss. But, I am happy that Bob is now with our Lord and savior. He was one of the most humble and loving guys I've ever known. It is he that gave me the guidance and heart to help Newnan Community Theatre come back strong. He will be sorely missed by all who knew him.

“ Dear Mrs. Lech & Family, I am very sorry to read of the death of your husband. He obviously was a person whose life revolved around service to others. I pray that you and your family find the comfort and strength that only God can provide to help you endure this very difficult time. Please take care. “ I regret that I will not be able to attend the memorial service for Bob. As immediate-past president of our Kiwanis club he was always an encourager and supporter of me while I was president. We started a talent showcase when I was president and it is now an annual project for our club...Bob was very instrumental in getting that started because he kept encouraging me to get one new project started for our club. It was his persistent smile and words of encouragement that spurred me on. He will be greatly missed by me and our club. He was a blessing to all who knew him. My prayers are with your family.
