February 2, 1927 - April 23, 2012

After being discharged, he earned a Bachelor of Science degree in 1952 from Troy State Teachers College and a Master of Arts degree from the University of Alabama in 1955. He later attended Colorado State College earning a Doctor of Education in 1968.

Dr. Lee began his long and illustrious career in education as a teacher and basketball coach at Hacoda Jr. High in Hacoda, AL. Within a short time, he became principal. To meet the financial needs of a growing family, he later moved to Geneva County to become principal of Coffee Springs High School. His next move was to Bayou la Batre, AL as principal of Alba High School. In 1962, Dr. Lee moved to Austell, GA to become principal of South Cobb High School. A few years later, he was promoted to Director of Curriculum of the Cobb County Schools. In 1969, he moved to Newnan, GA and became Superintendent of the Coweta County School System where he worked until he retired in 1989. Some of the highlights of his career include the combining of the Newnan city schools with the county school system, the integration of the schools, the implementation of a junior high school program, the inclusion

“ I like the AJAX format beettr, but the classic Joomla one is not bad. Yeah. We just reinvented the wheel. If users doesnt like it, we will revert it to default Joomla layout. The controls need to be more nicely organized for people who are not familiar with managing lists and spreadsheets. They are being worked upon. This is only an Alpha Testing site. The action of “Add a New Obituary” needs a really prominent button, and more instructive text with hover text instructions would be good too. Agreed. These will be made to look beettr once the major functionality is completed. Do you plan to make front end management of obituaries available to Joomla 1.5 as well, or just 2.5? I need this ability for a client’s site. Yes, we will have all these features for all the current Joomla versions viz. Joomla 1.5, Joomla 1.7 and Joomla 2.5.

“ Ruth and Family, We are so sorry to hear of Dr Lee's death. He had a good and helpful life, He was a super person and admired by many. When you saw him he was smiling and talked in his low but commanding voice. God needed him in Heaven to help him and for Dr. Lee to be well. We are still pretty much home bound, but Mildred is getting better. If we can help in any way please let us know. God loves you and we do too, Don and Mildred Jones
