

## Robert "Bobby" McCormick

December 22, 1965 - April 11, 2023

Bobby McCormick aka Robert Jay McCormick; Danger-boy; Ice Ranger; Bible Man; The World-Famous Uncle Bobby; Son; Brother; Friend; Fun Bobby but his favorite title was Terrina's husband. Bobby crashed into heaven April 11, 2023. That was the only way he knew how to do things.

Bobby was a man after God's own heart. He did his best to always serve others. Bobby and Terrina served God together from the beginning of their lives together. From the time they began to date and throughout their marriage, they served in Children's Church, Youth Choir, Music, Youth Ministry, Sunday School and more. Through these opportunities, Bobby and Terrina gained many "spiritual children". Bobby also was a very talented actor and director. He directed the dramas for musicals and even big productions for fundraiser dinner theaters.

Bobby changed careers late in life. He got the education to become a Physical Therapist Assistant. He loved working with patients and seeing how they progressed. He was always in demand from patients that worked with him. They usually asked for him to be their regular therapist. Within his job though, he continued to share what he believed. He looked at his job as a ministry. He would always look for opportunities to pray with patients or their family or share the love of God however he could.

He didn't want to but he left behind his wife of almost 37 years, Terrina and his two fur sons, Lando and Luke. He is also missed by the rest of his family:

His mother, Constance McCormick; parents by marriage Roger and Jennie Brewer; brother Scott & Debra McCormick; Brother-in-law and sister-in-law Keith & Ellen Brewer; Step sisters Missy Van Bourgondien, Shelly Dean, Donna Thompson; Nieces and Nephews: Sarah & Tyson Moore; Jacob & Tammy Brewer; Rachel Brewer; Jesse and Courtlynd Brewer; Margaret and Sam McVey; Austin McCormick and Jesse & Gabriella McCormick. Eleven great nieces and nephews, friends, and many "Spiritual Children".

A Celebration of Life service for Bobby McCormick will be held at Faith Bible Church Saturday 4/22/23 at 3:00 P.M., 4907 Highway 34E, Sharpsburg, Ga. 30277.

“ A note to my dear friend Bobby.

*I know that you will never read this, but I want all to know.*

*I still remember meeting you in eighth-grade homeroom. You not only liked superheroes, but you could also draw them like the pros. I also found out who your ultimate Super Hero was, but that comes later. You also like Michael Jackson. You were into drama, but what is that? We later would do drama together and we created a wonderful group of friends. We not only acted in plays together, but we wrote a play, entered it into a competition, directed it, performed it, it was recorded and broadcasted on PBS television! You helped me get my first job and it was where you were working. When you came over to my house, you always checked out what kind of ice cream was in our freezer. We had many adventures together with our friends, as you always tried to include everyone. You and Ley became additional brothers to me. May the Force be with You.*

*Later you found this wonderful gal by the name of Terrina. I could tell just by knowing you and your actions how much that this woman completed you and just how much you loved her. You brought me in to help you and Terrina with a play at your church and to meet your Greatest Superhero – Jesus Christ.*

*I had my own plans to get together after we retired to recreate some of those wonderful times we had when we were younger. Of course, we would include the gals (wives), as well as other friends. But instead, you have gone off on a different journey: you have gone to be with your Greatest Superhero. You are making sure everything will be ready for us when we come to join you.*

*My friend, we will see each other again, but until then, I will miss you.*

“ *Bobby McCormick was one of a kind. The Lord made us all one of a kind, but when you met Bobby, you knew you had met someone really special. His godly charisma was unmistakable. To know Bobby was to love him. He was charming, outspoken, funny, talented beyond what we ever knew, and a respectable gentleman all rolled into one body. Choir practice with Bobby and Terrina was a sight to behold. That beautiful tenor voice who was forever struggling to hit that high note that he had never heard before (even though Terrina had given us a practice cd months before) would turn a serious choir practice into a belly-laugh-pick-on-Bobby time. Such a perfect husband for Terrina and father by proxy to hundreds of youth that sat under his teaching. God really blessed us with Bobby's life ministry. Thank you, Jesus.*

“ Bobby was a very special man. He was definitely a leader in every way and his integrity was something that stood out about him. Joe and I always went to all the dinner theaters at Macedonia because we knew they would be top notch, and they always were. Watching him interact with the youth just showed how much of himself he put into that work too. He changed lives, he really changed lives and that was his purpose to which our Lord will bless him greatly in Heaven.

“ I will never, ever forget Bobby McCormick! He played such a huge role in my life as a youth from directing musicals to baking brownies on Monday nights. Bobby, thank you for giving to the Lord. I am a life that was changed. #foreverinmyheart #IloveyouTerrina
