“ *Holly, I am so sorry. It was too soon. Bob and the entire Pempin family were the most loving, wonderful people God created.. There are too many memories of Bob, the Pempin family and Lake Lucerne to share and while we are all so lucky to have them it deepens our loss. Much love from the Male family.*

“ Was very glad to have re-established contact with Bob after 50 years. While we were never that close in school, we shared our adolescence at Kiski and that is something from which we could never escape. Pam and I are saddened by his passing. Our thoughts and prayers go out to the family.
