“ *I just heard this morning of your passing from a very dear friend of ours. You called me just last month to remind me of our 9th anniversary. You always thought I'd forgotten though I never did. Bobby, you are the strongest most driven man I know. We rarely saw eye to eye and fought like cats and dogs but loved one another for who we were. You have been and will always remain dear to my heart...*

“ *For several days now I catch myself looking at my phone wanting to talk to you. There has hardly been a week that has passed that we haven't spoken to each other in the last 15 years. You were truly one of my best friends and meant more to me than you will ever know. I can never hear the words Killer, or really ever again without thinking of you. I will miss you my friend until meet again. Rest in peace.*

“ I remember going on a trip with Bobby and my dad to Dallas for work. Bobby knew how to have fun and we always had a good time. It was one of the best trips I got to go on in my younger days. Bobby was funny and a great cut up. Prayers for Uncle Paul, Kathy, and Jennifer.

“ Bobby was my childhood hero. It seemed there was nothing he couldn't do. I will always remember that smile, his laugh and how he could get Jo going like nobody else! So many great memories, seems like just a short time ago. Of course we grew up and didn't see each other as often as we should've but in my heart Bobby, Jo, Brenda and me are still running wild around Grant Park. To Uncle Paul, Kathy and Jennifer, my love to y'all on the loss of my sweet cousin Bobby. I know he is with Aunt Pat and all our other family now. May you Rest In Peace Bobby. Your loving cousin, Donna Callaway
