“ It was an honor to know him as my father in law, a 2nd father figure, friend and to be loved by him. He always put his family first and taught us all so much!! His mind and body is know free; and I know he is happy to finally be reunited in heaven with his beloved wife momma Linda (give her big hugs and tell her we love and miss her too)! Until we meet again one day...we all will miss you and cherish all the wonderful memories we made. We love you pop!💙
