“ *Brian, remembering you boys playing black hawks football at RAA brings back a lot of memories! More than that, I worked with Bob for 31 years. Most folks saw that hard shell Bob come across with but I knew better. I loved talking to Bob about Tellico Plains, about your granddad going through cancer treatment, about you boys and day to day life at the post office. Working down town and going up to the second floor drinking that nasty chicory coffee with Bob. How he liked that, I don't know why. When we moved to Crown Rd. Bob was my supervisor on night shift. He really liked me but would never let you know it. You would have to know me to understand how patient he was with me. Even when I got arrested for a fight with the Lovejoy football coach, Bob knew I had a good reason. Just a few days ago I thought about Bob and wondered how he was doing. I can't tell you how sad I am to hear about his death. I hope ya'll will make it through this and you will. Brian, on a funnier note, you look like you been eatin good!*
