“ I am sorry to hear about Dan passing away. I was a Volunteer Fireman with Dan in the early seventies. We were at station Six now called station One on Turkey Creek Rd..

Dan was one of the Men you could always depend on to be there and give his very best. He was brave and hard working at a fire and and always at the station on nights and week ends to help us maintain the equipment and trucks. . He also helped with the fund raising to purchase many things needed by the volunteers as the County did almost nothing for us in those early days. They did not even furnish a building for us to keep our trucks.

His name is on a brass placard inside station one along with the other founding members of station six including myself. Dan was the kind of person you could never forget.

“ I'm saddened to hear of an old workmates as well ad friends passing. Before I ever worked with Mr. Dan, I can remember my mom telling stories of he and others that would come through the Newnan office cutting up and joking around. My mom was Eleanor Alexander, and she worked at both locations at one time or another. Then I worked there from 88 to 92 and got to know him. He was a good man. My condolences to the family.
