

Robert "Bob" A. Ward

June 11, 1964 - June 15, 2025

Robert Andrew Ward, 61, of Senoia, Georgia, passed away on Sunday, June 15, 2025, at Brightmoor Hospice in Griffin, GA.

Bob was born on June 11, 1964, in Cornwall, New York, to the late James Ward and Rose Genantone Ward. He grew up in Stony Point, New York, and graduated from North Rockland High School. He went on to earn a degree in Business Management from York College of Pennsylvania, where he formed lifelong friendships and was affectionately known by his college friends as "Wardi."

A man of many passions, Bob had a deep love for his dogs, who were his constant companions and brought him immense joy. His enthusiasm for cars was well known among his friends and family, and he could often be found working on his latest car project. Above all, his dedication to family was unwavering—he and Beth Barone were married for 34 years, building a life together centered on love, laughter, and mutual support.

A dedicated employee of Southwire, Bob was respected and admired by his colleagues for his hard work, integrity, and commitment. His contributions to the company were significant, and he leaves behind a legacy of professionalism and character.

Bob's memory will live on in the hearts of those who knew and loved him. He is survived by his loving wife, Beth; his children, Robert Ward Jr. of Wellington, CO; Austin Ward of Huntsville, AL; and Jaiden Harris and her wife, Lorelei Harris; his brothers James Ward, Dan Ward, and Joe Ward; and a host of

extended family and close friends who will forever cherish the moments they shared with him.

As we mourn his loss, we also celebrate the incredible life he lived and the lasting impact he made on our lives.

A funeral service will be held on Wednesday, July 2, 2025, at 11:00 a.m. at McKoon Funeral Home, 38 Jackson St, Newnan, Georgia. Following the service, friends and family are welcome to join in a Celebration of Bob's life at Lillian Gardens, 83 Greenville St, Newnan, Georgia.

“ A good part of my childhood was spent on stone path, home of the Wards. Fond memories running home to my parents after a weekend sleepover with Jaiden, begging my parents to cook as good as Mr. Ward did. Endless Italian food made from scratch, I never left hungry. Mr. Ward would entertain us for hours on end, taking us to the lake on weekends and catapulting us off the tube he towed behind the boat, talking shop about the latest cars, or fishing on the local pond. Too many good stories to count them all, part of me feels gone with him. May Mr. Ward rest in peace

“ *I worked with Bob for a couple of years in the mid 80's at a service station that his uncle owned. His cousin Simon worked there too. Now they're both gone. Bob was a good friend as well as coworker and I felt like I was part of the Genantone, Lubrano and Ward extended family. He had it all, looks, charm, loyalty and smarts. I was heartbroken to hear of his condition and I feel like I've lost a brother. I hadn't seen him in decades until I saw him at his Mom's memorial in February. So glad I had that chance. My sincerest condolences to your family and his friends. Please find some comfort in knowing that your grief is shared by many who knew him.*

“ I was heartbroken to hear about Bob's passing. He was more than just a coworker—he was a steady presence and a mentor, and during our time working together, he felt like family. His wisdom, humor, and kindness made a lasting impact on me, and I'll always be grateful for the time we shared. Beth, thinking of you & your family during this difficult time. ❤️

“ I had the privilege of working with Bob for many years. He was a true professional and gentleman. He and I as well as others partnered as managers in the production of solid dose generic drugs. We also assisted in the development of new generics as the brand came off patent.
I will always cherish his humor, dedication and leadership.
Sleep well partner.
