“ Mrs. Wolf and Boo, I just got Susan's email today of your loss. I am sorry to hear of Mr. Wolf's passing but so glad that you all were able to be together during that time. I just wanted you to know that I was thinking of you and remembering Mr. Wolf. The things that I remember makes me smile. Sullins was such a short time of my life but one of the most memorable and you and your family are a big part of those memories.

“ To Bob's family, I had the great pleasure of meeting and working with Bob in Cincinnati at Towne Properties. He was a friend and a mentor, engaging and interested in both teaching and learning. He and I had an opportunity to get together for lunch in Newnan a couple years back and the same spark and intelligence was alive and well. I am sorry for your loss but feel privileged to have known Bob. Sincerely, Todd Pope

“ Dear Sue and Family, Very sorry to hear about your Dad. He hired me in '72 and I enjoyed his leadership in Forest Hills. Please give my best to your Mom and Sister at this very sad time. We had many times solved the world's problems together. I consider him one of the best leaders I ever came in contact with. With Love and Affection, Rudy

“ Your father was the Asst Principal at AHS during the time I attended. He was very likeable but strict during the 60's (64-68) which we needed. He was a friend of my Dad from Church (MWPC) and from being in the same Fraternity (Phi Gamma Delta). I reconnected with Bob at our boat club ORLC which I joined in 1985. I made it a point to see your Dad after he moved to FL when I would visit What may sound trite but is so very true for Bob, the world is a better place from Bob's accomplishments.. May he rest in peace.

“ To the Wolf Family I wish to express our condolences at the passing of Coach Wolf. Throughout my years at Norwood High School (1957) he was always there for the students. He helped mold us through his actions as much as his words. May the Lord be with the family and help them through this difficult time. Chuck and Sally Wolf

“ I wish to express my condolences regarding Bob's passing. I was superintendent at Oak Hills Local School District from 1972-73 thru 1985-86. Bob was at Forest Hills much of this time. We exchanged many thoughts and opinions regarding school district operations. Bob invited all the area superintendents to hold one of our meetings on your boat. We had an enjoyable experience. We still live in the Oak Hills school district. After leaving Oak Hills in 1986 I worked at Northern Kentucky University from 1986 - 1997. Many students from the Forest Hills District attended NKU. Just wanted to let you know that Bob was well respected among the school superintendents and that I enjoyed our exchanges. Cliff McMahon

“ Of all my bosses as a teacher in Forest Hills, I always felt comfortable with Bob and respected his efforts in helping elevate the district to the outstanding level of having Blue Ribbon schools and producing exceptional students. I saw him at the Cincinnati Sports Show some years ago, and told him that I also always viewed his administration in a positive light. When the district would face difficult times, I felt our backs were together in fighting the good fight and he had true empathy for teachers. My very best wishes go out to his family. HI BOO!!!! “ Ginny and family: I first remember Bob as a lifeguard at Waterworks Pool, and then as a coach in grade school. He was also my social studies teacher when we went to NHS in the eighth grade. Bob had a saying that I hope I remember correctly, "I despise the guys who criticize the guy who tries". When I played football at Norwood, he was our reserve coach. Bob was tough but fair. Later I had the pleasure and fun of playing softball with Bob when Salem and Zion merged their softball teams. Bob was one of the four greatest men to grace the faculty at NHS, in my opinion. The others were Jay Geiser, Dick Dallmer, and Frank Sanderson. All were fair both in the class room and on the coaching lines. My wife Sue and I send our deepest sympathy.

“ To the Wolf family: I first met Bob in 1942 as a fellow freshman at Norwood High School. Bob was always a leader and a great guy and a true gentleman.. Later we taught at Sharpsburg together. I'm sure I'll see Bob again with Jesus. Blessings to Ginny and the Family.

“ Sorry to hear of the loss of Coach Wolf. I was in grade school at Sharpsburg in Norwood when I first met Mr. Wolf. He was my first coach, and while I don't remember all my coaches, I remember him with fondness. He was tough but fair. I am now 61 years old and have often wondered what had become of "Coach Wolf". The family will be in my thoughts.

“ To Bob-Bob's family.... I am grieving for your loss. He was a wonderful, funny, smart man who always had a kind word of encouragement (or a good swift kick in the rear) for those in need. He gave me such comfort when I received news of my own father's death back in 1998. I feel extremely fortunate to have been able to know him and to spend time with him and his family members through the years. I am so sorry that I will not be able to attend the Memorial service, but know that my thoughts and prayers and strength will be with you on that day and always. Kathy Davidson and family

“ Ginny and Family: We were so sorry to here of your loss of Bob. We remember the "great"boating adventures that we had together. The one that we will never forget is our trip from Tarpon Springs across the Gulf to your new home. The gulf was so rough that Bob & I took 1/2 hour turns operating your boat. (The trip was a true 10 hour indurance test for all four of us) All of the boats navigational instruments went out due to the salt water going over and into the helm of the boat. We were navigating by compass only and just made your harbor entrance at dusk. When we arrived at the dock we discovered that we had almost no fuel left. Both you and Joan thru your calmness and prayers were the reason that we made it to our destination. Your boating friends, Ron & Joan
