“ Janeen: Our thoughts and prayers are with you and your entire family. I was lucky to have had an opportunity to work with Bob for years at Sun Microsystems. We enjoyed our time together there very much, both inside and outside of the office. Bob's presence and constant smile has made the world is a better place. He will be missed. Bobby

“ Bob and I go back many years to our highschool days. There are too many memories to mention, but in every one was Bob's smile. Even when we stopped by to see him and Janeen in January, he was still smiling and joking. Although the loss is great, we know that Bob has gone onto a better place. Our prayers go out for both Bob and Janeen. Our deepest condolences to Janeen. Bill & Linda

“ Janeen, Our prayers are with you during this difficult time. Bob was a terrific guy with a big heart and wonderful sense of humor. Thank you for letting me spend a few days with you and Bob last October-- even as he struggled with illness he managed some humor. We will remember the good times we had when you lived in MN. Our deepest sympathies--Holly and Dale
