“ I just read about Robby's death and I'm so sorry. I lived in Augusta near the Burgess family and Robby would come around to see me sometimes when they would be in town after moving to Newnan. He was always so sweet and I always loved to see him. It's good to know that he turned out so nice and had a good life and good friends.

“ I love you Daddy - how you have always been here for me. Our impromptu trips, shopping, day hikes, dinners, & we could talk for hours. I miss you everything you do for me & for us! You are forever in my heart. I will always remember that you kept a smile on your face even the moments before you closed your eyes even though your pain made you want to leave. Such a bittersweet end to your beautiful journey that touched so many lives.

“ Robby: I got to know you thru working with you at Georgia Power at Plant Yates. I always enjoyed working with you. You were a great team mate. I always thought you were one of the toughest guys I ever knew yet at the same time a very considerate and kind person. I will miss you. Now maybe you can do some flying in heaven now.

“ Robby was like a second brother to me. Some of our best times were spent water skiing and riding a ski board at West Point Lake, our vacation trip to Disney World and ice skating at the Omni in Atlanta. He was always smiling. Robby loved our mom and she did him too. He will be missed by many. Gone but not forgotten. We love you Robby. Dianna Cavender Thompson and family.

“ Robbie's gentle spirit will be missed. I know that John was waiting to welcome him home. Bella (my dog) will also miss him. She was always happy to see him and always wanted to get in his lap and seemed to smile when he was with us. We enjoyed Christmas at Callaway and I have years of memories of hiking with he and John. Carol, Jackie, Grace and I will miss his company and smile. He was always content to be "one of the girls".

Robbie was loved, will be remembered and I look forward to seeing him again.

“ *I posted some pictures of Robby with some of his friends. Robby was one of the few guys that actually liked hanging around with a bunch of women! He was sometimes hard-headed and stubborn but we all loved him like a brother and will miss him terribly.* ”

To the family, my thoughts and prayers are with you in this time of grief.

“ Robby was a gentle man and I will miss him. I visited Sunday, we shared a few memories and a few plans for the future -- the trip to New Orleans in his "new" Prius - him, me and the other "girls." He said we might get there . . . he knew he was crossing over soon and he was at peace. My condolences to Bobby and your family.
