“ *Dearest Robert and family*

I have just heard the terrible news – I'm in shock 😞

I cannot express how sad I am.

Losing a child must be the worst thing that can happen to a father and mother. And her poor family losing their mother and wife - it is too much to bear !

My deepest condolences to your family

“ *I remember hearing you sing for the first time standing next to me in church and turned a told you that you had the voice of an angel and you should join the choir. As I got to know you even more and your sweet babies and our private talks you always had a smile on your face. Sweet girl you are singing to our Lord and savior now and I know I will see your beautiful face again. Praying for strength and comfort at this difficult time for the family and friends and Jesisha.*

“ *I was so thankful when God brought Robyn Elizabeth Miller Dover into my life I found a friend who was true amazing and a big heart..She was a beautiful person inside and out and I know I will not find another Elizabeth and I am lost without her she was there for me in some hard times just as I would do what I could for her. She was a living mother and I can't imagine what her babies are dealing with they loved her dearly and I hope God gives them and her family and friends strength through the loss of her. I love you Elizabeth and I am thankful to have had the chance to get to know you and your babies and in my heart you will stay and even though I'd rather you here with us I know your in a better place and your still watching over us.... I love you and miss you so much....*
