“ I know this is very late, but I was taking care of my Mama. I came to know Mr. R D, from hearing "Tank" Helton talk about him. Then I became his mail carrier in 2001. I didn't see him much since we both were working during the same hours. I met Mrs. Turner a few times when I delivered packages. She was a very sweet lady. When I lost my husband in 2005, Mr. R D took time to come and talk to me and give me a "pep" talk. Tank told me how he was looking after Mrs. Turner. It's a hard job, I know. I just lost my Mama a few days ago, a little over 10 years after my Daddy died. You have my most sincere sympathy. I know you will forever miss them both. God bless you. Alice M. Coggin

“ The Schory family sends our deepest condolences to your family. We were truly blessed to be Mr. Turner's neighbor for 12 years. He was always so kind and patient with our kids and dog. And the way he cared for Mrs. Turner is an inspiration. Mr. Turner will be missed. Blessings to your family during this time.

“ I’m going to miss Mr. Turner “R. D.” He became a good friend of mine at Walmart he always looks for me at my register every Saturday morning. He didn’t like anyone else but me to check him out. He told me last Saturday that he was just tired. He always tell me before he leave to have a good week and I will see you next Saturday. He told me that again but he left the part about I’ll see you next Saturday out. I’m really going to miss seeing him what am I going to do. Sending my prayers and my condolence to the family.
