“ Ron, you were definitely one of kind. We had a lot of fun during our time at M.D. Collins High School. Shared some great memories while working at National 7 Theaters on Old National Hwy as well. Life is fleeting, and our memories are all we have left to hold on to until our time comes. You left us way too soon. 'Til we meet again ol' friend. Rest In Peace.

“ Ron and I grew up together in the same neighborhood. I would consider us as best friends with all we did together. We kinda grew apart in high school but I have not forgotten Ron and his family. As I can't attend his service, I pray for him, his wife, his children, and extended family. God bless you Ron.

“ One of my first memories of Ron was shortly after I met him over a decade ago, he made delicious homemade cinnamon rolls and was cracking jokes the entire time.

The last time I saw Ron was a few months ago when he was in the hospital. I expected to pop in real quick and drop a few things off for him, but ended up sitting and chatting with him for over two hours. We shared memories and he told me to put every extra dime I had to paying of my mortgage (solid advice). We talked about his jeep, Jackie, and his grandkids. Since then, Ron would call and text me periodically to check-in. I am going to miss his random calls and texts.

My condolences to Jackie, Blake, Mary, Bob and the rest of Ron's family and friends, he will be missed.

“ Jackie, Blake, Mary, and family and friends: I am praying for peace and comfort for all of you. Ron was one of my clients for many years at Jackson Insurance Agency in Fayetteville and I would speak with him monthly. I will miss our conversations and his awesome personality. He endured several battles in his life, and he always kept a positive attitude and outlook. He tried his best to take the best possible care of Jackie and he loved her dearly. Prayers for all of you.

“ I remember Ron as one of the youngest of the Monterrey boys. We lived just a few houses away on Lantern Lane. The boys would gather in the morning and play all day until called in for dinner; sometimes even until dusk. My condolences to his family.
