“ We are so sorry to hear about Mr.Bass. Our Prayers are with you and your family at this time . I have known you all for more than 30 years he was more than a friend to our family he was also like a second father to us, you all have been such a blessing to our family over the years. I try to remember the good times when he was always out on the farm in Andersonville chasing those cows and starting fires all the time. Mr. Bass was a good loveing/caring person and we will never forget him or your family. Sincerely, Kim , Diane & Jackie Cross
