Praying for you Linda and the family. Sorry for your loss! Ronnie was the one that introduced me to my future wife when I was too shy to step outside. He was also the one that gave me a ride home after my car failed me and I hitch-hiked for miles with some seedy characters before calling him. He was also my hero because he answered his country's call. I will always remember his smiling face and quick wit! Love to you all.

I was two years older and had a car. Ronnie and I hung out a lot in the 60's. Had a lot of great memories Ronnie, he was a heck of a football player for NHS and Jacksonville State. I had no idea he was a veteran. Sort of lost contact with him over the years. Last I saw him he was coaching football. My prayers to his family, your Friend Richard Sewell

“ *Ron was a god fearing and family oriented man. We shared some stories and enjoyed the times spent sharing those common experiences earlier in our lives, especially in Vietnam. His word was his bond. His family graciously included my wife, June, and me in many of their family gatherings. God's speed Ron, and God bless you Linda.*

“ Please accept my sincere condolences on the loss of Ron. When I was physically able to attend church, he and Linda sat on the row in front me. They were both so very kind and friendly to me, as well as other members of their family. Linda, I know how devastating it is to lose your spouse. My husband will have been deceased 10 yrs. on the 21st of this month, and I miss him every day of my life. My thoughts and prayers go out to the family.

May our Lord wrap his loving arms around you and comfort you, and may He help you to find peace, as only He can..

“ The memories we have of Ron will be spoken of often because we were lucky enough to know him. He was a dynamic force at Delta & always larger than life (especially that laugh). Fly high Ron. You have your wings forever. May God be with your family & friends.
