“ *As you know, I hadn't known Ron that long, but had come to care for him. I remember talking with him at those "special" dinners. He and I kept each other company while the others were doing all the work. I really remember those Christmases with the wrapped ball. Even though you knew he didn't feel that well he joined in on the fun. He got such a kick out of it, as did we all.*

My condolences to you, Pam, Shannon and Mike.

My heart goes out too you.

“ Having worked with Ron for many years, I considered him a very good friend and a very good police officer, and an even better detective. He set the example as a law enforcement officer and I was both proud and honored to have worked with him. Rest in peace, my friend, God Bless You and your family.

“ *To Pam and the Twits: Tribute to a Good Man*

Without doubt Ron was a man of integrity. He loved his parents, family, wife, son and daughter and countless friends. As a youngster at his father's restaurant he relished his time around Police Officers. He honorably served his nation and community his entire life. Mac was a dedicated criminal justice professional who always possessed the "human touch". As a uniformed officer he set the example as to how a High Point Police Officer and his patrol car should appear. Actually his unit appeared more like the interior of a NASA space capsule - all orderly, immaculate and fast! He was one of the very best HPPD detectives in the modern history of the Department. At times it appeared he could get a telephone pole to confess to a crime. When countless suspects were apprehended, their first remark was "I want to talk to McBryde". He treated everyone with respect. Even after retiring from the Department he returned as a consultant doing background investigations. As for the human touch, Ron and his compadre Sandy gave hours in support of the Law Enforcement Special Olympics Torch Run, fundraising, as well as ringing the bell at the annual Christmas kettle. It was not only an honor serving with Ron, it is an everlasting pleasant memory to have known him and his family. This ole world is a lesser place with you Cody, yet as with any great classic, you will never be forgotten.

So very sorry we can not be there, however we are with you in spirit.

“ To the McBryde Family,

Ron served our Country, the Citizens of High Point and served proudly with his fellow Officers at the High Point Police Department. He gave %150 effort all the time. He was "The go to guy" when you had a question about any type of Property Crimes.

There are so many "Ron McBryde" stories it would take days or maybe weeks to tell. Some were just told at our last Retirees Association breakfast. To this day, average citizens when talking about a case with a Detective, would say you know the "Guy with the Hair" helped us.

God Bless you all during this time.

“ Pam, Shannon & Family,

Ron was one of our first Instructors in our Rookie class of 1983. He continued helping me and many others right up until I retired in 2011. After he retired he helped me and the Property Crimes Unit by volunteering his time working on cases. That's the way he was.

Always working extra helping others. He was "One of a Kind" and will be greatly missed. We look forward to seeing him again one day. For now he has joined many of our brothers and sisters in Law Enforcement who have gone before us.

May God Bless you now and the days ahead.

“ Pam, Shannon and family.

I will always cherish the memory of having Ron as a friend. To say that he was "one of a kind" is an understatement! To have worked with him and to have learned from him was an honor and a privilege. May you all be comforted by the memories that were made with him. God bless you all.
