“ I was so sorry to hear of Rosa's passing. I loved playing bridge with her at the Episcopal Church and at Wesley Woods. Her smile and sparkle would light up any room she entered. I was so lucky to know her, truly a gift. My heart and prayers go out to her family. You were lucky to have her. Keep your memories close to comfort you. Tell your stories and her sparkle will shine.

With deepest sympathy,

“ Sally Love and family. I was so sad to hear of Miss Rosa's passing but rejoice in the long, full life she lived. I had known her most of my life as she was my fourth grade Sunday School teacher in the early 1970's. In recent years I sat with her at the 8:30 service. Her funeral was a wonderful and fitting tribute. You and your family are in my prayers.

Dear Sally Love and family, you probably don't remember me. My name is Ann Dredger Fullerton and I attended Heritage in the early seventies. I remember your brother "Chip". Your dear mother asked me to print a poem in calligraphy in memory of "Chip". I am sorry to hear of her death last summer and I understand the grief of losing parents as my mother died fifteen years ago and my father five years ago. May God grant your mother eternal rest and you and yours comfort.
