“ I worked for Ross at his Subway stores near the end of the time he had them in Peachtree City from early 2002 until he sold them. Being my first job I learned a lot from him. He was highly involved there and I looked up to him as an honest and generous businessman. I am so sorry I did not keep in touch and found out the news so late but I still wanted to let his family know he was an inspiration to me and I am so saddened to hear of their loss. Ross was an awesome guy, an awesome boss, and I'm sure he has been terribly missed however his impact was greater than you or he even knew.

“ As PTA President at Russell Elementary Ross and I worked together on many occasions. Any time I asked for anything for our students he was always there ready to lend a hand. He would even personally deliver the pizzas to each and every one of our events. Ross went above and beyond the call of duty as a partner in education and as a friend. When we heard of his passing the entire Russell community was in total shock. Ross will be missed and our sympathy is with his family and friends. Thanks for sharing him with us!

“ The Hollydale Elementary school family is deeply saddened by Ross Holzschuh's passing. It has been a real pleasure for us to have known Ross personally for about four years and as a Partner in Education with Stevi B's. During that time, Ross was always very professional, kind, generous, and enthusiastic in supporting our students and teachers. He had a huge heart for kids! Our school happened to have a family night on Thursday evening, October 20th, less than 24 hours before Ross's passing, which left us all in shock and disbelief upon hearing of the tragic news. Our prayers, thoughts, and deepest condolences go out to his wife Shannon, their children, and entire family. May God comfort you all during this very difficult time.
