“ I got acquainted with "Aunt" Ruby through Linda & Ronny Jackson. She had dinner at my house with them and always mentioned how much she loved my fried okra, when I would visit her. She was so sweet and had such a wonderful sense of humor. I loved her very much and will miss her. Jeanette Bennett

“ It is with great sadness to hear of Ruby's passing, she will be remembered by us for her generosity to her family and her never ending care for others. So many laughs to lighten our lives and so much love shown to all who knew her. We will forever remember the good times spent together.
