“ We wish to share our love and support with the Orr family during this very difficult time they are experiencing. Although every loss brings very traumatic and difficult times, the loss of a mother and wife is extremely difficult. We did not know Mrs. Orr personally, but we do know her son, Ron, very well and for several years. We know that many of the great qualities Ron displays daily, were acquired from his lovely mother. It is our hope and prayer that God will gather the Orr family in his arms and minister to them in every way, meet their every need and see them through these very difficult days.
