“ *Classic Van Halen (David Lee Roth era) is what brought Russ into my life. The Roth Army message board is where we enthusiastically discussed all things Dave and the band. That online friendship extended beyond the internet, which was cool. I was new to Atlanta and Russ, Ronda and pals welcomed to their VH celebrations. Van Heineken tribute band shows were so much fun, especially when Russ tossed ice cream bars into the audience during "Ice Cream Man", lol! When Van Halen hit the road with Dave again, Russ got me a ticket! I'm so happy Russ got to see that happen, because it's something we VH fans dreamed of for decades.*

Russ' love for pets is another thing we had in common and I was so happy when he gave me one of Victor's babies in October 2009! I named him Vladimir and he'll be 14 yrs old this year. He's my heart!

I want to send my deepest condolences to Russ' family, friends and all who loved him. I will cherish his friendship and kindness forever.

Rest in Peace, Russ ☐ 🙏

“ *Russ was a cool cat and will definitely be missed. We never got our session in but we had a plan to hang one of these days. To Russ' family and closest friends, your loss is immense, I wish you nothing but love, peace and the ability to continue on. May the universe bless his soul for all of eternity.*

“ *Russ was a unique individual that inspired the people around him. He loved skateboarding and all his bros that shredded with him. There will be a hole in my heart knowing that Russ will no longer be with us. I love you Russ and you will be truly missed; may the Lord be with you and shine his face upon you. God Bless Russ, PG*
