“ *My feelings go out to your family! Ruth was a dear lady who looked after every body. She was a faithful member of her Church as long as she could be. She always opened her home when there was a need, such as leaving food to be picked up and delivered to someone in need. She always said that she was left here to help take care of her family and she did! She took care of her husband, her Mother-in-law, her sister-in-law and especially her son, Lark. Now she is being taken care of by her Heavenly Father forever more. May the Lord bless her precious family!*

“ Colon, Betty, Lark, Nan, Larcus, Elsie and other family memebers. I am so sorry to hear about Ruth. She has always been a great blessing to me all of my life. Her beautiful smile, her kindness and her sweet sweet spirit. This world has been made a much better place by having her here doing the works that they Lord had planed for her. All of our hearts will be sadden but we can hold on to the fact that we will see her again. She is now an Angle in Heaven to watch over everyone. My heart goes out to each one of you. You all are in my thoughts and prayers. May God Bless and hold each of you in his hands through this time of sadness. Love to all of you Susan

“*We wish to express to Ruth's family our sincere condolence. All the years that I have known Ruth she has been a very sweet lady with a smile for everybody. She loved her family dearly and took care of Lark with a smile on her face. She has always been an inspiration to all that have known her. Never in my life did I see her when she made me feel like she wasn't glad to see me and my wife. She will be on her face before our Saviour for a while then I'm sure she will be surrounded by other family members ,and friends that have gone on before her. With Love ,Randall & Shirley Harrison*

“ *I knew Mrs. Hemrick as the loving mother and primary caregiver of her son Lark. Many times I came to their home to see Lark because I knew how difficult It was for her to bring him to the office. She never complained and always was so tender and loving to him and to me. What a special blessing she was. She will be missed and not forgotten. Susie and my entire family send our sincere condolences.*
