“ Our entire family considered Ms. Ruth part of our extended family. She always loved on them when they came to the cafeteria at school, she always asked about them when I would see her. I know that she said many prayers for my children over the years. She was a gentle reminder of our Savior's love. How she and Mr. Slug will be missed.

“ *I loved Ruth. She was my cousin and we grew up together. She loved coming down to visit with us and we loved going up there to visit. I remember going to plenty of stock car races with them and many many special times we spent at the cabin on the backwaters. We would swim, rest, and just enjoy the time. I sure am going to miss her. Love you Ruth.*
