“ Jimmy, I was so saddened to hear of Ryvonne's passing. She and I were friends from sixth grade through high school. I enjoyed our getting together for reunions, lunches, and dinners for the Newnan High School Class of 1959. When I came back to Newnan to teach at NHS, I had Tommy in one of my classes. My thoughts and prayers are with you and the family.

“ Jimmy, I was so saddened to read about the loss of Ryvonne. I know how devastating it is to lose your spouse. Always cherish the memories the two of you made together. i shall never forget when the two of us were teenagers, we worked together as cashiers for Davis 5 & 10 on Saturday's. We certainly enjoyed the friendship of doing that. i also appreciated the times she called to check on me. I am so sorry that I will not be able to attend her services because of medical issues. My thoughts and prayers go out to you and all of the family. May God comfort you at this time.

“ Jimmy I just read of Ryvonne's death, so sorry to hear this, you and her family are in my thoughts and prayers. I heard she was in Nursing Home but because of the Covid restrictions was not able to come see her; but have thought of her many times. May God give you comfort and Peace during these difficult days. Hope to see you Tuesday. We will miss her and have missed all the classmates since the Covid shut down of everything but look forward to that grand reunion when we can all reunite with our loved ones that have gone before us.
