“ I have good memories of your mom. She was always sweet and kind. What a blessing both of your parents were. I had planned to come to visitation or funeral, but got very sick. I'm so sorry. Really wanted to see y'all. I'm praying for you guys and your family. God bless. *Tim Tidwell*

“ The great memories are flooding my thoughts as I reflect on the many meals we shared together as families through the years. Sally was mom's best friend from childhood until mom passed twenty years ago. Sally taught me how good it was to eat a fresh slice of tomato on a hot buttered biscuit at breakfast! I will always remember that no matter what life brought your way, you met it with grace and a positive attitude. I am grateful for the memory of sharing a meal with you and Martha at Cracker Barrel just before I moved to Texas nearly five years ago, and thankful for the phone calls these last few years. Thoughts and prayers are with Erie and John and the family as you grieve the loss of such a dear lady. *Love and prayers,*

“ My dear friend, you have been a part of my life all of my life. I remember all of the spaghetti dinners that we all shared at your houe and ours. Mama used to laugh in later years about how it was always spaghetti, for some unknown reason.

Thank you for being such a good friend to mama and daddy and for the love and kindness shown to all of us.

I'm so happy for you that you're now home with “uncle” Doug and the rest of your family.

My heartfelt condolences to Erie and John during this difficult time. You will be sorely missed by many, and will be fondly remembered for your sweet and gentle spirit.

Love, Martha Haines Grant

“ Miss Sally you will be missed by your family and your many many friends,of which I am blessed to be one. I am so thankful for the years of working together. During that time I witnessed the kindness and caring you showed to everyone you came in contact with. Your faith was shared openly and I am thankful for the many prayers said for me and my family. Your selfless love you displayed in your care of Russell and even on the difficult days always looking for something positive. I can't help but think of the smile you had on your face when "Your Mr. Doug" greeted you in heaven. I know I will see you again one day my sweet friend. Love you ,

Miss Sally was such a sweet, caring lady, and I know she will be dearly missed. I knew Miss Sally from her work at my dad, Dr. C.M. Barron's dental office. She had such a wonderful, kind, gentle way of helping all of the patients including me. I know that she has remained a dear friend to my family over the years and we just loved her. Please take care and know how blessed we feel to have known her.

With sincere sympathy,
Sara Barron (daughter of Charles M. Barron)

Praying for Erie and John and all the family of Sally. She and Doug were a big part of the early ministry of Bible Baptist Church, Newnan. They were instrumental in helping us acquire the 51 acres that housed the church buildings and facilities of Newnan Christian School. She was a sweet and kind lady who will be missed by her family and friends.
