“ I lived in Garden City at the same time Uncle Bud & Aunt Sally did, and often I would run up around the area where they lived. When I would stop in to say hello, Sally would always have a small snack for me, almost as if she knew when I would stop in! I would visit for awhile, then run back to my apartment, I have very fond memories of visits there and out at the ranch while they lived there. May you rest in peace, Aunt Sally.
