“ We all have very fond memories of visiting "Aunt Sally" and "Uncle Larry" in Florida as young children. It was a highlight of our childhoods, a place where we went to the beach, collected shells, played checkers, grimaced at the water's taste, and wished we could ride up the lift. Sally was such a lively, important part of our childhood summers, and she and Larry have continued to be supportive of us throughout the years. We all offer our deepest condolences, and we will always remember "Aunt Sally" with a smile.

“ My Friend Larry, I speak for all the members of the VFW/Legion family in offering our sincere sympathy for the loss of the love of your life. We always were impressed with the loving manner in which you talked about Sally and how important she was in your life. We, who did not see her often, could only be grateful to herl for sharing you and your time with veterans in need and other good causes. Surely your heart is broken, but you must know that each of us stands by with a shoulder upon which to lean and cry. We are here for you when you need us. May God bless you and your family. We are so sorry.

“ Sally's struggles over the last years were very troubling to me. Sally became my Mom's best friend in the late 1960s. I, along with my entire family, had many experiences with Sally. Most of these experiences were before she and Larry moved to Florida. When we visited Sally & Larry in Florida, I took my children; they knew Sally & Larry as Aunt Sally and Uncle Larry. Over the Christmas holiday, my family exchanged a lot of stories about Sally.

“ You are the worlds greatest Mom. We all had a woonderful Christmas thanks to you. I'm loving my flanel jammies that are keeping me warm on this cold rainy day. You are my hero and my best friend. We made it through the really tough times but the happy precious golden memories are what I will keep with me all the days of my life. I have and will continue to love you Momma with all my heart and soul,

“ The two of us were truly sad to hear of Sally's difficulties during the past couple of weeks and the results of so much stress and pressure on her physically. We want Larry and family to know we have the deepest regrets that she passed; we offer our condolences and any help we can be from afar.
