“ SAAAM! Many condolences to his family. Memories of pink fire hydrants, the "GA Pig", Swisher Sweet Perfecto's, HP calculator's and many none sense misadventures of intellectual stupidity will always be apart of my high school years. God Bless!

“ *My beautiful, loving husband you left me too soon. I am so proud to be your wife. You're the kindest, smartest, most tender hearted person I've ever met and I was lucky just to know you. I cherish every moment together and know the Lord needed you to go home. We will be together again someday with our beautiful little girl. You are the love of my life and you showed me each day that I was yours. I know you will be watching over all whom you love. I take great comfort in that. I love you a Brazilian.*
