“ My prayers are with Diane's family and friends. I first met Diane in 1979. She was and important person in my life. We were able to reconnect couple years ago and enjoyed many conversations about her faith, her family and friends for which she had a deep love. Talking about olden times and the times we shared back then. I am in shock and disbelief. I've never been this sad before in my life. She was an awesome lady who led a selfless life helping others. I reminded her often that people like her have a front row seat in heaven. My only comfort is knowing that she is there and at peace with the Lord. I was blessed to know her. Randy Wallace.

I loved and appreciated Diane. We had so many good talks and she was a friend even before she began helping me as much as she did by staying with me. She loved many and I knew that she loved me as much as I loved her. There will be never be a good friend like her. She did so much for me. I miss her so much! I miss her saying, “Good night, sweet lady! Every night she was with me. She was so ready to help me in every situation I found myself in. She demonstrated her love and care in everything she did for me. sand others. It soothes me to know that she will be there in heaven when my time comes. She was everyone’s Angel when here and I am sure that’s where she is waiting for us. See you soon, Diane. I love you!!
