“ As in life I have followed her my whole life always me being a day late and dollar short. She nicknamed me Fred, I had just sent here a 60th Birthday pouring out my heart well she's better now at peace and pain free. She's lucky I thought she was invisible but God needed her there and I know in my heart that's why he called here home. She was pistol with a roulette wheel. No games she always came out smelling like A Rose. God speed my red haired Angel them all I love them and you and see you soon.
