“ *This is my MawMaw and when she passed away i was a complete wreck. I had to control myself when i heard she passed away. I thought about she will never ever see me graduate even though she saw my two older sisters graduate but not ever me. I know she will be loved dearly and missed a lot especially by the whole family. (: One day i will get to see her agian and i can not wait till that day comes and i am reunited with her agian. I also cant wait to give her a huge hug and kiss her on the cheeks! Love you mawmaw so much.....*
