“ Miss Sally will always be remembered by my family for the "sweet lady" who stayed with my grandmother, Myrtle Arnall Mann. She was kind, loyal and devoted to those she loved. Her family will remain in my thoughts and prayers.

“ I am so sorry to hear of Sally's death. She always made a point to come back to talk to me when she came in our office. I have not seen her since August and had not realized she had been ill. I will miss her! She was always smiling and always seemed to be in such a good mood!

“ I loved my "aunt" Sally dearly. I was her name sake, but she was my mentor for many years. She was so patient with me as I learned to be an Operating Room nurse with her. As call partners, we spent many years and hours working side by side both day and night. My fondest memories however will be seeing her Sunday after Sunday on "her" pew at church, in the church yard pecan harvesting and selling, and most of all, perfecting the precision we attained in the Bar-B-Que line at the 4th of July....Every year she gave me pickle duty. "4 pickles, and only 4 pickles..keep plenty of jars drained ahead of time but don't use anymore than what you have to. " We will surely miss you!
