“ I meet Sara when we worked together at Playtex. She was a true friend and always there for for me. Sara drove me to Emory for my radiation every Wednesday. And to several doctor visits. I sure miss my Sassy friend. Prayers for her Sons, Daughter-in-laws, and Granddaughter and Grandson.

“ To the family of Sara, I am so sorry for your loss; I know Sara from the days at Playtex and always enjoyed being around, she was always cheerful and had a smile for everyone; she also baked a beautiful cake for my son when he was about 3 or 4, she could definitely bake delicious cakes. I haven't been able to see her a lot but would run into every so often & it was always good to see her. Your family are in my thoughts & prayers during these difficult days. Love Syble Storey

“ It has been over 50 years since I first met Sara. She was a good Christian lady then and stayed true to her faith. I too have many wonderful memories of breaking bread with Sara and Coleman on Saturday nights then kicking back and enjoying the Gaithers. Those were some good times.

My sincerest condolences to her sister Sybil and the family. She will forever be missed

“ I worked with Sara at Playtex. Once you met her, you never forgot her and you had a friend forever. She always smiled and had you laughing about something. Her talent for cooking and cake decorating was amazing and delicious.

May the Lord give Peace to the family that only He can give.

“ Sara was one of my dearest friends. I met her and Coleman at East Newnan Baptist years ago...many happy memories of chili dinners and watching the Gaithers along with other friends. I loved her sense of humor and she made me laugh every day with her "funnies" she sent through Facebook. I am so thankful for her friendship and love...much love to her sons, daughter-in-law, grandchildren, sister, Sybil, and everyone else in her extended family and friend circle.
