“ So sorry for the family's loss. My thoughts and prayers are with each of you. I worked at. Shaw Ind. too. She was there in 1972, and the next time I worked there for 17 yrs. She always had the answers to your questions, concerning, just about anything to do with Shaw, or she would be there for you if you needed somebody to talk to. She was always there to tell it like it was, not being rude or anything. She was such a sweet lady, and she will be missed... 🙏😭💙❤️ Fly high Sara Lee ♡

“ Dear Lisa, Jerry, and family, please accept my condolences on the loss of Sara. I shall never forget the time we met she and Don. Jim Bowles had a restaurant in Greenville, GA., and Lawson and I went to eat and Billy Joe Royal was appearing there. Of course the place was packed, and I happened to notice that they had two empty chairs at their table. I asked if we might could sit with them, and of course, they welcomed us, and we became great friends after that. There was a group of us that traveled to such places as Nashville, rode the train to New Orleans, and went to Seafood Festival in Panama City where we always celebrated Don's birthday. Sara always brought along her homemade snacks for us, and no one could make peanut brittle like her. If we were not out of town, we would meet at a local restaurant and eat together on weekends. I can just see the motor home picking her up now along with Don, Mickie and David Abernathy, Billy Burgess, Thomas Parker, Jim Bowles, and Lawson, and they are in heaven, riding down the streets of gold. Jeanette and W.P. Davis moved to Jasper, Ga. to be near their daughter and grandchildren. That only leaves Ernie Bowles, Myra Boone, Floy Parker, and myself still living in Newnan area. I am so sorry but I will not be able to attend visitation and services due to medical issues I have. My thoughts and prayers go out to all of the family, and may God comfort you and help you to find peace, as only He can.
